I, John of the family of Doe, Affiant, being over the age of eighteen (18) years, competent to witness does state for the public record the following:

1. That the public record on file with the Office of the Registrar of the Commonwealth of Kentucky located at 123 Main Street, Frankfort, Kentucky shows that the entity known as John Doe took the first breath of life on the twenty-seventh day of the month of April in the year one-thousand nine-hundred and forty-eight (27 April 1948), and
2. That as of the date of this Affidavit of Life the entity known as John Doe is still alive and breathing, and
3. Since the twenty-seventh day of the month of April in the year of one-thousand nine-hundred and sixty-six (27 April 1966) has not surrendered nor abandoned any claims of life nor of any and all claims of estate to include but not limited to JOHN DOE, and
4. That the attachments (Exhibit A and Exhibit B) to this affidavit are considered as Points and Authorities of Law, and
5. Further Affiant saith naught.

I, John of the family of Doe, do affirm that I have read the above affidavit and do know the contents to be true, correct, complete, and not misleading, the truth, the whole truth, and nothing but the truth.

Exhibit A

Corpus Juris Secundum

Section 16, Page 892:

FACT OF DEATH: Death of the person on whose estate administration is sought is a jurisdiction requisite; and while the presumption of death arising from absence may present a prima facie case sufficient to warrant a grant of administration, yet if it subsequently develops that such person was in fact alive, the administration is **void**.

While it is true that the presumption of death arising from a person's absence, unheard from, for a considerable length of time, see "Death Section 6", may present a prima facie case sufficient to warrant a grant of administration on his estate, the arising of such presumption does not take the case out of the operation of the general rule on the subject, and if it is made to appear that the person was in fact alive at the time such administration was granted, the administration is absolutely void. Although, that payment to an administrator of an absentee who is not in fact dead is no defense against the absentee or his legal representative, nor are costs and disbursement incurred by such administrator a legal charge against the absentee or his property; but where the administrator has paid debts of the absentee, he is subrogated to the rights of the creditors whom he has paid. It has been considered, however, that the invalidity of the administration does not relate back, but that it is invalid only the time when the presumption of death is rebutted.
